

Nonsuch school

Catchment/Selection Policy: All girls must sit and pass all parts of the two stage Entrance Tests. The first stage is the Selective Eligibility Test and the second stage is the NWSSEE (see above). Candidates must pass BOTH parts of the NWSSEE to be eligible for a place. The marks in the NWSSEE will then be added to half of the aggregate mark achieved in the SET, with each part carrying equal weight, to create a total score in the Entrance Tests.

The total scores will be used to create ranked lists.

Places will be offered in the following order:

1. Children of selective ability with an Education and Health Care Plan that names Nonsuch will be allocated a place before other applicants are considered.
2. Looked After Children or who were Looked After who achieve the pass mark or above in the entrance tests (including the total score) or whose score is up to 10% lower than the standardised pass mark for the SET test, the NWSSEE test and/or total score.
3. 85 places on the basis of score in the Entrance Tests in order of highest score, irrespective of home address.
4. Up to 35 places will be available for Children in receipt of Pupil Premium who achieve the pass mark or above in the entrance tests (including the total score) or whose score is up to 10% lower than the pass mark for the SET, the NWSSEE and/or total score by rank order irrespective of address. Children in receipt of Pupil Premium are those who have been registered for free school meals at any point in the six years prior to the closing date for test registration.
5. Up to 110 places linked to the school's catchment area circle. This will be in order of highest score to those whose permanent place of residence on the closing date for submission of the Common Application Form is 5.25 km or less from the front door of Nonsuch measured in a straight line.
